

## **Courses given by Prof. Dr. Gustav Plesch**

### **BSc. level**

#### **Systematic Inorganic Chemistry 1 and 2**

Courses on chemistry of elements given for students of chemistry teaching

#### **Inorganic Chemistry**

Course on chemistry of elements given for students of chemistry

#### **Introduction into solid state chemistry**

Basic solid state chemistry for students of chemistry

### **MSc. level**

#### **Novel Inorganic Materials**

Material chemistry for students of chemistry

#### **Magnetic properties of inorganic materials**

Introduction into magnetic properties of solid state for students of chemistry
