

Accommodation for students of the Faculty of Sciences

Accommodation for our students is provided at two university hostels. „Družba“ dormitory is located in the immediate vicinity of the faculty, „Mlyny“ dormitory is about a 15 minutes walk from the faculty. Both accommodation facilities are connected to public transport lines. Requests for accommodations are submitted through the electronic system E-ubytovanie (E-accommodation) on the website moja.uniba.sk. You will receive the access name and password together with a letter of admission to the faculty. The usual deadline for submitting applications is the end of July. Accommodations for students of our faculty are coordinated by the faculty officer: ubytovanie@fns.uniba.sk. If you have any questions, please do not hesitate to contact him.
