KICKING OFF 31 JAN 2023

GLOBAL DIALOGUE: SUSTAINABLE CAMPUSES & COMMUNITIES

A unique online event where students from the ENLIGHT universities meet with their global peers to share experiences on student led sustainability initiatives.

Welcome to join the ENLIGHT Global Dialogue!

During three sessions in January and February student organisations from across the world share their experiences in projects promoting sustainability in their community or campus.

The sessions will be held on:

- 31 January 18:00 (GMT)
- 4 February 10:00 (GMT)
- 7 February 18:00 (GMT)

Each session will contain presentation of projects and a discussion between the presenting student organisations in which your questions and comments are encouraged.

After registration you will receive the link to the Zoom-meeting used to host the event.
